

Vision Xtra - Hot Instant

"...First class beverage solutions..."

The choice of drinks available from the Vision Xtra is unlimited, even drinks containing sugar can now be dispensed. Selection buttons are configurable to any mix of the ingredients contained in the machine, allowing drink combinations to be developed specific to customer requirements in a choice of cup, mug or jug sizes. The two models available provide a choice of either 9 or 11 hot beverage selections.

- Drink selection flexibility guarantees a wide choice of quality hot beverages
- Optimised drink presentation achieved through control of whipping time
- Simple, user friendly single button drink selection
- Quick and simple to clean and replenish
- Choice of boiler elements - single, double or triple
- Jug facility
- Optional base cabinets available
